Tax incentives that flow largely to well-off neighborhoods and school choice policies aren't going to undo decades of socioeconomic and structural decay in poor communities. Instead, the lawbreakers and conspirators turned out to be the British and American governments. A civil war, a bankruptcy, and the confiscation of the wealth of the nation, were sponsored in order to create a context read EMERGENCY for the enslavement of the formerly sovereign people of the 50 formerly sovereign states under COLOR OF LAW.
