## Nurse Educators Apply Core Competencies

There is no doubt that teachers make a difference in how well their kids do at school. However, as previously championed, advanced nursing practice degrees will continue to evolve to the practice doctorate degree. Following data extraction, the study results were collated and summarized.

## Identifying different learning styles to enhance the learning experience

Models of partnerships are identified in the Academic Progression in Nursing APIN final report, a Tri-Council for Nursing initiative.

## Evidence

Facilitators described: using a problem-solving approach in the clinical setting; students' EBP readiness. Journal of Nursing Education, 49, 387—392.

## Strategies for teaching evidence

AACN Position Statement on the Practice Doctorate in Nursing.
