English Media Texts

It's enjoyable, fun and free. Coyote coming up with a contraption to catch the Road Runner, only to be foiled and caught by his own devices. Have students hand in their sticky notes.

Text types

It tends to convey an informal tone, and in most cases, the present simple or present perfect is a better choice. After amplification: The thesis paper was difficult: it required extensive research, data collection, sample surveys, interviews and a lot of fieldwork. On the third day, I went to the Korean Demilitarized Zone or DMZ.

18 Basic Grammar Rules: English Sentence Structure • 7ESL

His parents died protecting him, and when Voldemort tried to cast a killing curse on Harry, it rebounded and took away most of his strength, and gave Harry Potter a unique ability and connection with the Dark Lord thus marking him as his equal. Exam questions may ask you to comment on how writers use language to make an impression on the reader. Plato never speaks in his own voice in his dialogues.

Text Structure

Give them time to read the passage and write on a sticky note the text structure and why the author used that structure. Past Future Perfect Continuous Tense Structure: Subject + would have been + Verb +ing Example: He said that I should have been working here for two hours by that time. Needham Heights, MA: Allyn and Bacon.

Habits

We use the Past Simple tense to talk about an action or a situation - an event - in the past.

Habits

Distributing recurrent thematic concepts and moralistic among various incidents and frames of a story. One of the most famous monuments in the world? Ferris Bueller in frequently addresses the audience. A narrative that is told from the of multiple characters that incorporate various perspectives, emotions, and views from witnesses or actors to varying particular events or circumstances that might not be felt by other characters in the story.
