quebec archaeology

Parks Canada carried out excavations under the Dufferin Terrace in Québec between 1985 and 1987, a large project that was revived in 2005. There is legendary evidence that other Europeans chanced upon the island during the Middle Ages. Lawrence Valley and on the North Shore and the Magdalen Islands.

Archaeology in Québec

New York: Springer in press.

Fragments of Humanity

The Pre-Inuit sites on the south coast of the island and on the islands of Saint Pierre and Miquelon represent the farthest south these groups are known to have reached. All I could feel was disgust, anger, and shock as I walked through the exhibit. WATCH: Officials are calling the discovery of the 325-year-old Palisade of Beaucours a major archaeological find.

Historic Archaeological Site Tours

This significantly modified their relationship with the scientific community.

Dig reveals some of Quebec City's archaeological secrets, but location of Champlain's tomb remains a mystery

A financial contribution for this exhibition has been given by the Government of Canada.
