There will be a much stronger argument at that point that the legitimate interests in transferring that small number of truly necessary original documents outweigh residual individual privacy interests, especially if residual concerns are addressed through confidentiality agreements, protective orders, and other measures. These Bylaws may be amended by a two-thirds vote of the Board provided that notice of the proposed amendment has been sent in writing at least thirty 30 days prior to the meeting at which the amendment is voted. As the diversity of the research base increases, it is increasingly important that we ensure that our processes, policies and practices are inclusive.
