## Publications

Department of Education information on certification and licensure requirements, pass rates on state assessments disaggregated and ranked by institution, and other information in October.

## Publications

This situation affecting Community initiatives, which has arisen because of delays in obtaining approvals, will probably lead to transfers of appropriations or interim programmes. The corresponding figures for 1995 were 100% for the FIFG, 99% for the ERDF, 76% for the ESF, 99% for the EAGGF and 91% for the Community initiatives.

## Structural Funds

The report by the Court of Auditors, on the other hand, does meet these criteria. Financing to assist technological development in the regions is on the increase and accounts for 7% or ECU 7. Cordaid is the implementing partner.

## Social Security Administrative Expenses

The successive adaptations to the financial perspective necessitated by the failure to take up the appropriations available in previous years means that funding will be concentrated at the end of the current programming period.

## Strata Property Act

Criticism 5: Conditionality undermines program ownership It is now almost universally agreed that an appropriate policy environment is a prerequisite for effective use of aid. The Guidance Section covers financing of improvements in farm structures and marketing systems for certain products. European Social Fund Annual Reports Set up by the Treaty of Rome, the European Social Fund ESF is the oldest of the Structural Funds.
