

# Biosynthesis and its control in plants - proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972.

Academic Press - Biosynthesis and its control in plants : proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972

Description: -

-

Plants -- Metabolism -- Congresses.

Botanical chemistry -- Congresses.

Biosynthesis -- Congresses. Biosynthesis and its control in plants - proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972.

-

Les Guides bleus

no. 9.

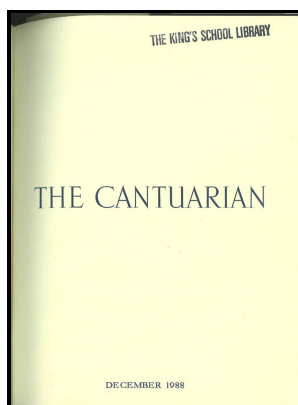

Annual proceedings of the Phytochemical Society of Europe ;

no. 9

Annual proceedings of the Phytochemical Society, Biosynthesis and its control in plants - proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972.

Notes: Includes bibliographies.

This edition was published in 1973

Filesize: 68.39 MB

**Biosynthesis and Its Control in Plants: Proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972 by Phytochemical Group**

Название Biosynthesis and Its Control in Plants: Proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972 , , ISSN 0309-9393 , Автор Редактор Соавтор Phytochemical Group Издание: 2, иллюстрированное Издатель Academic Press, 1973 Владелец оригинала: Калифорнийский университет Оцифровано 20 июл 2009 ISBN 0124961509, 9780124961500 Количество страниц Всего страниц: 364 Экспорт цитаты. Microscopic cytochemistry in enzyme localization and development by Phytochemical Group Book 3 editions published in 1961 in English and held by 267 WorldCat member libraries worldwide Recent Development in the Chemistry of Natural Phenolic Compounds covers the proceedings of the Third Plant Phenolics Group Symposium, held in April 1960. Goodwin -- Conformational analysis of terpenes and steroids, by J.

**Biosynthesis and its control in plants : proceedings of the Phytochemical Society Symposium, University of Kent at Centerbury and Sittingbourne Laboratories, Shell Research Ltd. Sittingburne Kent March 1972 / edited by B.V. Milborrow**

This book focuses on the interaction of enzymes and phenolic compounds, oxidation-reduction systems in plants and microorganisms, and phenolase complex.

## **Phytochemical Group [WorldCat Identities]**

Regulation of enzyme levels during the cell cycle. Biosynthesis of algal polysaccharides; Chemical and biochemical aspects of fungal cell walls; Glycoprotein of higher plants by J.

### **Biosynthesis and its control in plants : proceedings of the Phytochemical Society Symposium, Univers...**

Control of pH and glycolysis. Weedon -- The chemistry of isoprenoid quinones, by J. Subcellular fractionation techniques in enzyme distribution studies.

### **Biosynthesis and its control in plants;; Proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne ... proceedings of the Phytochemical Society): MILBORROW, B.V. ed.: 9780124961500: tech.radiozamanah.com: Books**

Hormonal involvement in metabolism of host-parasite interactions. Publisher's black cloth binding is sound. Tschesche -- Structural studies in the carotenoid field, by B.

### **Biosynthesis and its control in plants (1973 edition)**

Holker -- Specifically labelled substrates for terpenoid biosynthesis, by G. Modification controls in time and space. Structure aspects of infection by biotrophic fungi.

### **Biosynthesis and Its Control in Plants: Proceedings of the Phytochemical Society Symposium, University of Kent at Canterbury and Sittingbourne Laboratories, Shell Research Limited, Sittingbourne, Kent, March 1972**

Protein biosynthesis in higher plants. Plant acids by Phytochemical Group Book 3 editions published in 1976 in English and held by 421 WorldCat member libraries worldwide Some observations on leaf surfaces during the early stages of infection by fungi.
