Somali women leaders urge Parliament to pass electoral bill

Sineed wrote: I'm one of the people who helps pick up the pieces and treat the real victims and not just those who complain to the media. I find this statement disgusting.

Toronto Pig to 65 y.o. Toronto Somali Woman

The women leaders discussed a variety of topics ranging from the constitutional review process and affirmative action to electoral and political party processes and barriers to women's participation in politics. Yes, the video message is very useful to me and I have now changed my opinion.

Somali women leaders urge Parliament to pass electoral bill

To me it says that as long as some people who are like you in some way are criminals then of course the police have every right to treat you like a criminal.

Curabitur sit amet molestie risus. Why did the police have a warrant to search this woman's apartment? Some were concerned that the mammography machine would cause damage to the breast and were not satisfied with provider reassurances.

Overcoming Barriers to Healthcare for Immigrant Women in...

Ultimately the success of treatment was seen to be in the hands of Allah, but seeking treatment was seen as consistent with faith.
