Strategic planning was still ongoing at the end of our audit period. On January 19, 2021, Dr. On 17 February 2017, after the period of our audit, the Governor in Council appointed an interim President and Chief Executive Officer for a one-year period, or until the appointment of a new President and Chief Executive Officer.

Bruce A and B Nuclear Generating Stations

It is not entirely clear if a BOT arrangement has been ruled out as an option.

Bruce A and B Nuclear Generating Stations

A revolving fund's minimum goal is the recovery of cost, and most commercial accounting conventions are used to measure cost.

Access to Information Act

The resulting cash position at the end of the period is also shown. The Romanian risk study has yet to include other possible external factors, which increase the estimated severe accident risk even more. The missile deal is a violation of China's repeated pledges to observe the Missile Technology Control Regime ~ an agreement among about 30 countries.

Bruce Nuclear Generating Station

In disease surveillance and control close co-operation is maintained with the government health authorities. In accordance with the provisions of the Currency and Exchange Act, valuation gains and losses for a year are taken into income in three equal portions over the current and two succeeding years.
