Sharh Aqidatul

After his graduation, he held a number of important positions either in Egypt or outside, as he worked as a professor and agent in many Azhari Institutes. This collection of Malik demonstrates the juristic acumen and expertise of the mujtahid of Medina.

Surah Al

He told me to read it and follow it. I am not aware of any, but if anyone has information on a translation, please share it with us.

Sharh Aqidatul

Depending on which position is taken, he was either 13 or 23 years at the time of hearing this work. I have included a link to the former below.

Surah Al

Many books can still be consulted to find further narrations.
