Cold Mountain (2003)

Leaving Columbia's home and his family in 1978, Eustace decided to hike the entire Appalachian Trail and bond with nature.

Mountain Greenery

One forgets that there are environments which do not respond to the flick of a switch or the twist of a dial, and which have their own rhythms and orders of existence.

Mountain Greenery

And just to let you know, the 1000 acre 4. . Jim Bob saves the day using woodsmen skills taught to him by Grandpa.

How did West Virginia get a reputation for inbreeding?

You can go around it. The Baldwin sisters are hoaxed by their cousin until Zeb and John come to the rescue.

The

John-Boy begins to print sections of his novel in his newspaper. During a drunken rage he burns down the school and is killed in the fire.

40 inspirational quotes about mountains

Eventually Curtis and his wife take in the boy. Time to think or not think, read or not read, scribble or not scribble -- to sleep and cook and walk in the woods, to sit and stare at the shapes of the hills. The vastness at least reminds us how tiny we are, and how much we don't yet understand.
