Even in a large city you may see one or two backless dresses among the shoppers and a few pairs of stockingless legs, for the sun-tan craze is in the full flush of novelty. It was a selloff with global repercussions. I can remember how excited I was when we got whole big blocks of cheese.

**Since Yesterday: The 1930s in America, September 3, 1929**

For years past, aspiring executives have been drilled in the idea that afternoons spent in plus-fours provide not only enjoyment but useful business contacts, and country clubs have been becoming more palatial, more expensive, and more heavily mortgaged with membership bonds. The railroad stations, too, were jammed with people—not only vacationists and week-enders but boy and girl campers returning to town en masse; never had Labor Day traffic been so overwhelming, or the collective discomfort of Labor Day travel been greater.

**Since Yesterday : The 1930's in America, September 3, 1929 to September 3 1939 by Frederick L. Allen (1986, Trade Paperback, Reprint) for sale online**

About the Author: Frederick Lewis Allen was born in Boston in 1890 and graduated from Harvard in 1912. This is a well written history of that time. .

**Since Yesterday Nineteen Thirties in America 9780060913229**

Surely, we imagine, there is higher ground just ahead. In any downturn, there are always winners, and Allen reveals the building and population boom around Washington D.
