## Lucie Rie

Hans Coper's works were more experimental and less colourful than Rie's; consisting mainly in tones of white, brown, yellow, brown and black.

## Lucie Rie/Hans Coper: Masterworks by Two British Potters

We have pioneered whole fields of collecting and transformed the market for modern design. Seventy eight illustrations in black and white and colour; stapled in colour illustrated card lettered in black. The work of Rie and Coper are both of seminal importance in the development of modern British studio ceramics, and understanding their differences and similarities offers great insight into this fascinating and collectable area of decorative art.

## Lucie Rie record as footed bowl takes \$180,000 at Phillips
