Outwardly a person's life and deeds, including hard work, could include them as one of the Elect.

Utopias in America (U.S. National Park Service)

Arriving in America, some of these colonists hoped to form Utopian societies, self-containing religious or secular communities, agrarian and largely communal in nature, far removed from the perceived vices found in the overcrowded cities. Following ratification of the Nineteenth Amendment, the battle for the vote ended for white women. The impact women have made in labor history is often missing from textbooks and the media despite the numerous roles women have played to organize, unionize, rally, document, and inspire workers to fight for justice.
