rise and fall of the dollar (or when did the dollar replace sterling as the leading reserve currency?)

There is a certain occult secret about these women that must not be revealed yet.

France

The Financial Times reported that BRICS countries have long deliberated on plans to establish their own rating agency along with the formation of the New Development Bank. In terms of the role of currencies in international banking, the dollar is in first place for cross-border loans and deposits, and the euro in second place Figure 5.

European Monetary System

Ramadan, with his elegantly trimmed beard, sports jackets, and open shirts, cut a charismatic, rather silken figure. For over a century, British bankers had manipulated financial cycles to create alternate periods of inflation and deflation in order to increase their wealth. They were determined that Europe, brought low by the wars of the twentieth century, would rise again.

Global Economic Carnage, War profiteering (and the lethality/greed of secret societies like FREEMASONRY)

This prism has a history as old as French colonialism.
