## This Sceptred Isle podcast

I had not heard the original radio show, but  
had read and greatly enjoyed Christopher

It is only available inside the BBC network.

**This Sceptred Isle: Collection 1 by Christopher Lee**

This collection includes the original first five volumes: 55BC-1087: Julius Caesar to William the Conqueror From Britannia under the Romans to the Dark Ages and the invasions of Angles, Saxons, Danes, and Norwegians.

**Close**

If you are an avid fan of any particular period of history, you may feel short-changed in the pencil sketch treatment of your favourite epoch, however, I defy any history buff not to be seduced by the clipped delivery of the narrators and the richness of the stories they tell. Christopher Lee's epic history tells the story of Britain from the Romans to the death of Victoria.
