### Welcome to VoegelinView

It became evident that the development of successful institutional arrangements for governance was in part dependent on understanding complex and interdependent linkages between these social and ecological variables. The poet Góngora 1561-1627 gave currency to the literary excesses of style bombast, obscurity, exuberance of tropes and metaphors, etc. A warrior's joyfulness comes from having accepted his fate, and from having truthfully assessed what lies ahead of him.

### Statement on the Scholarly Merit and Evaluation of Open Scholarship in Linguistics

One study may employ qualitative methods, asking individual actors e. Perhaps broader theoretical inclusion criteria, beyond collective action processes, could be related to a more general SES theory.
