The Importance of Arts and PE In Schools

London The University of the Arts London is composed of six art colleges, including the London College of Fashion and the London College of Communication.

Hollywood Academy of Arts & Science

With an enrollment of over 80,000, it is one of the largest universities in Europe.

Hollywood Academy of Arts & Science

The cosmopolitan city of Hong Kong provides the perfect background to an art school education. Recently, non-profit organizations have been emerging to help keep up arts programs in public schools. Several Nobel Prize winners—including writers Mario Vargas Llosa and Vicente Aleixandre—graduated from here.

The Importance of Arts and PE In Schools

Best Art Schools in North America: Best Art Schools in Canada Vancouver, British Columbia Located in beautiful British Columbia, the Emily Carr University of Art and Design has been a Vancouver institution since its inception in 1925.

Online Art Classes and Degrees
