## Philosophy of Technology (Stanford Encyclopedia of Philosophy)

Quite so—and again, so what? The LCD screen had nice color and brightness but a low acceptable viewing angle.

## Don Ihde, Instrumental Realism: The Interface Between Philosophy of Science and Philosophy of Technology

Cultural approaches are often phenomenological in nature or at least position themselves in relation to phenomenology as post-phenomenology. An example of the latter kind of color illusion is neon color spreading, in which a region that is in fact white appears pink Nakayama et al.

## Instrumental Realism: The Interface Between Philosophy of Science and Philosophy of Technology by Don Ihde

This, the Wide-Scoper claims, provides the best account of why failing to intend the believed means to your end is a rational failing.

## instrumentalism

Closely related to this issue to what extent use and design determine the function of an artifact is the problem of characterizing artifact kinds. Hardin's answer to his own question is a little odd. Scientific instrumentation depends critically now on mass corporate IT.

## Theories of Nationalism: A Brief Comparison of Realist and Constructivist Ideas of the Nation

. The MDO, with its carpeting, office furniture, and computer terminals, right down to the office lamps and pictures on the wall, was indistinguishable from a typical agency office in a typical town.

## Philosophy of science

Critical Reviews in Neurobiology 3:333-400. Now consider the question of whether the chip is as it looks. The first part explains the problem of

color realism and makes some useful distinctions.
