## REPORT on a strong social Europe for Just Transitions

Youth employment and attitudes towards work Wong, Rosanna In: Journal of Youth Studies, Vol. France and Germany are two polar cases in the current debate regarding alarmingly high youth unemployment in Europe. At the same time, the effectiveness of counseling and monitoring seems to be low under bad economic conditions and for long-term unemployed youth.

## Youth Unemployment Causes and Solutions

This age group has been used as it is commonplace for most students to have completed their tertiary education during their twenties even if they followed a masters or postgraduate course.

## Education and training statistics at regional level

This includes, for example, a targeted and intensive activation strategy by public employment services.

## Youth Unemployment Causes and Solutions

As it is not clear how the returns to labor market policy programs compare to that of formal education participation, this substitution effect should be kept in mind when evaluating the effect of ALMP for youth.

## Cedefop: Data for European countries presented by indicators

With the prospect of more than 5. Calls on the Member States to take a relevant step forward in tackling the gender pay gap by investing in predominantly female and precarious sectors, namely the care and cleaning sectors, by improving working conditions and pushing for greater

economic and social recognition of this work; 31. Nonetheless, as stated by Kluge, no significant positive effect and even some negative outcomes regarding the post-programme employment have been found ILO : 57—58.

### **REPORT on a strong social Europe for Just Transitions**

Have you wondered how many students participate in initial vocational education and training IVET in European countries? Calls for the Just Transition Fund to support the creative and cultural sectors as key sectors that can help in the creation of new opportunities and jobs in the territories, in particular when projects include sustainable best practices and foster sustainability, energy efficiency and the protection of the environment; 15. While the transition from school to work in Ireland and England encapsulates greater diversity with now no clear distinction between education and employment, it illustrates the way in which young people have adapted to labour market flexibility.

### **Reinforcing the European Youth Employment Policy**

This website is dedicated to the career pathway initiative at Tacoma Community College in Washington. Four studies assess the effect of classroom training on the match quality of subsequent jobs, as, e.

### **Youth unemployment in old Europe: the polar cases of France and Germany**

Thus we observe a discovery of the causes and indicators of youth at risk of unemployment without considering the possibility that a new set of theoretical, philosophical, ethical and practical paradigms are required.
