## BUSINESS ENVIRONMENT AND PUBLIC POLICY IMPLICATIONS FOR MANAGEMENT

The dust jacket for hard covers may not be included. In addition, they promote consistency across the organisation for both employees and customers. Some believe that the government only decides on public policy after a matter of months, but, in reality, public policy can take several years to enact.

### Eight issues for policy toward economic development incentives

Using policies and procedures gives employees a well-rounded view of the workplace, allowing them to know the culture the organisation is striving for, the acceptable behaviours, and how to achieve them. Many companies had successful products through contracts, but almost all defense firms had business and were profitable. This traditional wisdom seems more sensible as business has become more footloose and economic development competition intensifies.
