In ; Stanton, Sarah eds. Hanging above it, there is a metal ball that looks like the moon, and as the satellite does, reflects and illuminates the stage as it serves as a column to hide behind or a structure to place your sword. The Queen believes Polonius is probably right, and she knows that her hasty marriage and the death of Hamlet's father have also been responsible for his dramatic change in behaviour.

And then it started like a guilty thing Upon a fearful summons. So have I heard and do in part believe it. Do you consent we shall acquaint him with it, As needful in our loves, fitting our duty? By heaven I charge thee, speak! Other scholars consider this inconclusive.

Hamlet

This was most evident in the staging of the first court scene. Much of Hamlet 's language is courtly: elaborate, witty discourse, as recommended by 's 1528 etiquette guide, The Courtier.

Review

Scholars still debate whether these twists are mistakes or intentional additions to add to the play's themes of confusion and duality.
