Patient's charter

If it is, for example because the hospital is dealing with the victims of a major road accident , you can expect to be admitted again within one month of the cancellation.

Patient's Charter

They will tell you about the standards of service you can expect from your surgery or health centre and the ways in which you can help the practice. The Patient's Charter was first started out as a United Kingdom government official document, which sets out a number of for patients inspiring other nations to publish their patients' charter as well. During the following year, I continued to push my message and encouraged conferences that took action to use which I devised.

Patient's Charter

You can expect a qualified nurse, midwife, or health visitor to be responsible for your nursing or midwifery care. The Charter of Patient Rights and Responsibilities the 'charter' summarises what you are entitled to when you use NHS services and receive NHS care in Scotland, and what you can do if you feel that your rights have not been respected. Your hospital will agree arrangements with agencies such as community nursing services and local authority social services departments.

The Patient's Charter and You

YOUR COMMUNITY PHARMACIST Pharmacists are health professionals, who are readily available to give advice on treating common problems.
