I'm really enjoying revisiting this little witch's stories from my childhood! I'm really In this tale of the little witch, Dorrie finds a goblin in the laundry basket. Refunds by law: In Australia, consumers have a legal right to obtain a refund from a business if the goods purchased are faulty, not fit for purpose or don't match the seller's description. And I like how Dorrie's kindness with the goblin that everyone else shuns has such a surprising and beneficial result.

This is one of the few Dorrie books at our library and I have no idea if it's one of the better ones in the series, but I just count myself lucky to be able to read ANY at no cost to myself and I hear they are terribly difficult to find. My favourite themes within the book were activity that escaped adults, unpunished bad behaviour, and the existence of s I really loved this book as a child.

How unrepentantly bad he was! I love the darling illustrations and the imagination behind the story.

Dorrie and the Goblin by Patricia Coombs

This was one of the very first books I ever read by myself. Sometimes her shoes are on the wrong feet.
