75 hours of in-classroom observation and experience in their performance assessments.

### National Arts in Education Week

Our masters in elementary education online degree is accredited by the National Council for Accreditation of Teacher Education through the Council for the Accreditation of Educator Preparation CAEP. The annual Reflections theme is created by a student and selected two years in advance through our annual theme search contest. Building on our previous of the of arts experiences, this study examines the effects of a sustained reinvigoration of schoolwide arts education.

### Arts in Education

This course is designed to be taken after successful completion of the Managing Engaging Learning Environments course. The MAT is offered online, with the exception of one, seven-day residency during the summer, so that our participants can remain in their communities.

### Elementary Education Bachelor's (B.A.) Degree Program Online

Council meetings may be held at Nassau BOCES or in locations that have particular relevance for members.

### Master of Arts in Teaching

Students will reflect on and document the
