Workshop sessions generally are held weekly for at least two hours.

### **Race, Class, and Gender in the United States: An Integrated Study, 11th Edition**

Kathryn Mitchell Pierce is a sixth-grade literacy and social studies teacher and a writing instructional support specialist at Wydown Middle School in Clayton, Missouri. Tassoni, John Paul, and William H. The classroom experience recounted in this piece suggests that blundered implementation can function as an opportunity to advance knowledge and to understand the ongoing project of critical pedagogy, strengthening it even as we realize that critical pedagogy cannot look and feel like status quo teaching and still enact progressive goals.

### **Christina Accomando**

It aims to shed light on the origins, sources, and manifestations of evil as well as on the diverse angles from which humans can understand, tackle, surmount, or come to terms with it. Inviting guests into the classroom is important in any curriculum, but it is especially powerful when teaching multicultural literature. Now in a rigorously updated new edition, this longtime bestseller is again the ideal catalyst for sparking lively class discussions on variety of difficult subjects, helping students think critically about categories of race, class, gender and sexuality, and how they operate and interact in the U.
