## Guelphs and Ghibellines

Once or twice I have literally written out a dream; but usually I start with a mood or idea or image which I wish to express, and revolve it in my mind until I can think of a good way of embodying it in some chain of dramatic occurrences capable of being recorded in concrete terms. Guelph often spelled Guelf; in Italian Guelfo, plural Guelfi is an form of the name of the , the family of the dukes of including the namesake , as well as.

He thought they might be the helper of the heavy man. Perhaps the lake is the cause.

## R. L. Stine

I also felt a deep sense of embarrassment over experiencing this depression because what should have been one of the happiest times of my life wa When I gave birth to my daughter eleven years ago I suffered from a severe bout of post-partum depression.

His friends shall fail him.

## Guelphs and Ghibellines

Change incidents and plot whenever the developing process seems to suggest such change, never being bound by any previous design. There is as much uncertainty as to the place where this prison or these stocks were; we are told it was near the temple, and in the high gate of Benjamin; but whether this was a gate belonging to the temple that opened toward that part of the country which was the lot of Benjamin, or a gate of the city that opened that way, whether in the inner wall or outer wall, whether called the high gate, because nearer the temple, or upon some other account, are

nice and curious speculations, the determination of which is of no moment for us to know. He was not unfitted for burning incense by his dumbness, and it was not proper for him to leave his post.

### **The House of Fear: Notes from Down Below by Leonora Carrington**

It is on those who have such fear of God that his mercy descends. I felt an immediate urgency about it: a short essay covering her time in a mental institution where she was held against her will and mistreated it takes about an hour to read maybe two and most of that I spent on the really thorough introduction.

### **Plato (c. 427**

All these interpretations are arbitrary. But the fear of lapsing back into that fog of depression, a fear that is not uncommon to anyone with an illness, has always haunted me. Odd and Stormy would often point out Cassiopeia together as that was Stormy's mother's name, so Annamaria's request startles him, but he points the constellation out to her.
