Effectively a subgenre of in the 18th century. As a child or in my youth, I had neither good dreams nor bad; but ;me aqer ;me my old age lines up compressed balls of pain for me from its stockpile, which are so disquieting because they're more dense, more tragic than anything I could ever have lived through; in fact, not once has anything happened to me like what wakes me, screaming in the night. Power, Kingship and State-Making in Thirteenth-Century Europe.

## The Prince: Chapters XV

Its solemn music which, like strains that sigh Through charmed gardens, all who hearing die; Its solemn music he does not pursue To distant ages out of human view; Nor listen to its wild and mournful chime In the dead caverns on the shore of Time; But musing with a calm and steady gaze Before the crackling flames of living days, He hears it whisper through the busy roar Of what shall be and what has been before. Spread throughout Europe In the 1730s.

## Naples

The natives learned bad habits, acquired alien diseases, and lost control of their domains.
