Evidence Act 2008: 17. Competence and compellability

As no privilege existed for ex-spouses at common law, nor was it conferred by s 3 of the 1853 Act or the proviso itself, no privilege existed for ex-spouses.

Free Essay: Competence and Compellability

According to The Patient Self-Determination Act PSDA of 1990, Mr.

Harris, Wendy

The three subtopics offer a potential basis for organizing the presentation and may give rise to a structure that can be used for the presentation: 1 scope of the law; 2 categories of witnesses; 3 possible extension of spousal position. In chapter three the long essay considers who a child is in law and the conditions for the admissibility of his testimonies.

s 18

Law Reform Commission of Victoria, Spouse Witnesses Competence and Compellability , Report No 6 1976 24. Given the narrow basis on which this case was decided, it is not decisive for those statutory provisions that are drafted in a way that confers a statutory privilege rather than as a proviso that preserves existing privileges. Spouse is further defined to include a putative spouse, that is, a de facto husband or wife who have been cohabiting for 5 years or have a child together.

Free Essay: Competence and Compellability

The court is to satisfy itself that an affected witness is aware of the effect of the exemption provisions and must hear any objection in the absence of a jury, if any.
