Colonial Kenya Observed_ British Rule, Mau Mau and the Wind of Change

Certainly she brought a breath of Haifa, and the historical perspective she acquired there, to all who knew her in those years. Monash, who chose to be buried under the Union Jack rather than the Australian flag, was born in Melbourne of German-Jewish parents and grew up in a German cultural enclave with both Jewish and non-Jewish German-speaking friends, but he never attempted to hide his Jewish and German origins.

The author gives a comparative account of the work of these three protagonists. Central to the literature promoting the career of colonial home help was the assumption that British women of gentle birth would be equal or superior in culture and refinement to the colonial women they were going out to serve.
