## An A to Z of Theory Roland Barthes and Semiotics

A direct influence of Durkheim on Saussure has even been postulated, it has been alleged that Saussure had followed very closely the debate between Durkheim and Tarde and that his conception of the language came from Durkheim while that of speech was a kind of concession to Tarde's idea on the individual element. Speech parole : In contrast to the language, which is both institution and system, speech is essentially an individual act of selection and actualisation; it is made in the first place of the 'combination thanks to which the speaking subject can use the code of the language with a view to expressing his personal thought' this extended speech could be called discourse , - and secondly by the 'psycho-physical mechanisms which allow him to exteriorise these combinations.
