The New Collection

The aim is to experience and convey key forms and atmosphere through observational painting. For Le Bas, landscape is a live encounter and art, a reenacting of specific experiences, in paint or with charcoal on paper. Written in English Book details: Edition Notes Catalogue of an exhibition held at Towner Art Gallery and Local History Museum, Eastbourne from 26 May - 1 July, 1990.

Biography

The year of mentoring aims to build confidence in the individual and support the development and progress of their artistic goals. Encouragement and advice will be given for work to be done during the month between the sessions, and an ongoing group email conversation will provide space for an informal exchange and discussion of ideas, questions, issues, etc.

Landscape Painting with Julian Le Bas

Enjoy pictures of true wonderment with these book-related images.

Encounters

It is spacious and a pleasure to work in. All covid safe guidelines will be adhered to. Balance due no later than 8 weeks before the course starts.

Julian Le Bas paintings and drawings. (1990 edition)

Being part of a small group of fellow artists provides a hugely valuable sense of community and a source of constructive critique over an extended period of time, which can really help you take your work to the next level. This is a year of in-depth and personalised support, guidance and encouragement, providing a framework to progress your practice over the year, through presenting and discussing your work in a supportive and constructive atmosphere with fellow artists.

Landscape Painting with Julian Le Bas

All covid safe guidelines will be adhered to.
