Residential Real Estate Listings

Some of the other features include over 3100 main floor square feet, extra large master suite with dual sinks, large walk-in closet, whirlpool tub, tile shower and makeup space, large main floor laundry, large bedrooms, great storage, volume ceilings, security system, central vac, surround sound system, fully finished lower level that features 2 bedrooms, game area, family room, full second kitchen, theater room, and 2 additional baths!! There are 179 active homes for sale in Sioux City, IA, which spend an average of 71 days on the market. Here's what every first-time home buyer needs to know to dive into house hunting with confidence. The artist studio sits above the garage and there is a finished basement area that could be a separate TV room or nice workout room.

The Beginner's Guide To Passive Real Estate Investments

So before you put down your money on any home, make sure you check out the hood for these red flags.

Kalispell, MT Real Estate

The original resilient Spanish tile roof gives the home unique curb appeal that Sioux City residents have admired for nearly 100 years. The main floor offers great family living space with a large living room, dining room and fully remodeled kitchen complete with newer appliances. There are three staircases that go from the top floor to the finished basement, one of these is the open staircase of the stair tower.

While others focus on simply facilitating a transaction, CENTURY 21 ® Agents believe in the value of delivering extraordinary experiences by defying mediocrity and always giving you 121%. Off the master is a large master bathroom with a corner tub, walk in tile shower with multiple shower heads, a electric fireplace and double sinks, tray ceiling with lighting. Here's how to identify them and strategize accordingly.

Sioux City, IA Real Estate

There is a stair tower, a circular drive way with a portico drive under, a large composite deck with glass surround railings on the back of the house.

Sioux City, IA Real Estate

Kitchen has been TOTALLY remodeled with new, top of the line stainless steel appliance, farm sink, white shaker cabinets, quartz counter tops and subway tile backsplash.

The Beginner's Guide To Passive Real Estate Investments

In addition to the deck there is a patio area on the lower level of the backyard for more entertaining! This home has been meticulously cared for over the years and had many upgrades including granite kitchen countertops, new flooring, new paint, new water softener, new dishwasher, new Maytag washing machine, AND a new roof on both the house and the shop and the addition of skylights. It might be time to look for a new home. Kitchen is open to the living room featuring vaulted ceilings and access to private back patio.
