## Treboeth Manuscripts

By Patrick Syme, Flower- Painter, Edinburgh. I hope I have not bound it in too rich a manner for the Book. Item 121 GOODRICH, Charles A.

## The Project Gutenberg ebook of Manual of the Art of by James B. Nicholson

Several specimens of his, in public and private libraries, remain to justify the character given of him; and of the numerous artists that his office produced, many have since given evidence, by their work, that the lessons they received were of a high character. Before placing the band, it must be bent with the fingers to the curve of the back of the book. Shows a view of the exterior of the plant.

To one ounce of Brazil dust add half an ounce of French berries, bruised, and a small piece of alum; boil them in half a pint of soft water; strain the colour and bottle it for use. With frontispiece in color and numerous illustrations from photographs. Thus far the mere mechanical skill of the binder goes.
