[PDF] Moses Hess Prophet Of Zionism

Christianity is, after all, a religion of death, the function of which ceased the moment the nations reawakened into life. This is a compact, lucid study of a notable thinker of the nineteenth century whose insight reached into the twentieth.

Moses Hess and The Link Between Bolshevism and Zionism

Of late there is to be observed in Judaism a wholesome spirit of reaction against the once dominating tendency of cosmopolitan philanthropy, that vague form of humanity which, as Jean Jacques Rousseau aptly remarked, professes to love men in general, so as not to be burdened with the immediate duties of benevolence to the individual.

Rome and Jerusalem; The last national question

As correspondent for a socialist newspaper that he helped to found, he lived in Paris, fleeing to Belgium and Switzerland temporarily following the suppression of the 1848 commune and again during the Franco-Prussian war.

Moses Hess

It is State Capitalism, run by Jews in the Jewish interests. To him, the value of these rabbinic doctrines is not in their purported spiritual truth but their utilitarian political value as a religion ethnic Jews can rally around, whether they like him believe it, practice it or not. He views Judaism in the same way that Jesus did, namely, from the narrow and one-sided point of view of spiritualism.

Moses Hess

The Jews alone were able to rise to that spiritual height, where life and death appear to be of equal value; and yet they never renounced life, but clung to it tenaciously.

He would also go abroad during the of 1870—71. As long as the Jew endeavors to deny his nationality, while at the same time he is unable to deny his own individual existence, as long as he is unwilling to acknowledge that he belongs to that unfortunate and persecuted people, his false position must daily become more intolerable.

Moses Hess began both Communism and Zionism, which are one in the same.

Would we not continually molest the legal proprietor when he will have taken possession of his ancestral land, and in the name of piety make him feel that his ancestors forfeited the title to their land on the day of the Crucifixion? And just as it is impossible for me to entertain any prejudice against my own race, which has played such an important role in universal history and which is destined for a still greater one in the future, so it is impossible for me to show against the holy language of our fathers the antipathy of those who endeavor to eliminate Hebrew from Jewish life, and even supersede it by German inscriptions in the cemetery.
