Trahair Publisher: Greenwood Publishing Group ISBN: 0313294658 Category: Political Science Page: 480 View: 955 This reference provides more than 600 alphabetically arranged entries about utopian communities and their founders. Owing to the fact that the two concepts of immanence and transcendence are considered to be poles apart, it is uncertain whether they are compatible with each other despite their antonymity. Exploring these questions, the book also discusses a number of established arguments in Joyce criticism.

‘God made food, the devil the cooks’: James Joyce’s Ulysses, or the Irish Stew

The style of the first half of the episode borrows from and parodies romance magazines and novelettes. Entries provide bibliographic information, and the volume closes with a selected, general bibliography.
