Only a catalog as detailed as Charteris's could reveal all of the items the Folger houses. Full details are given of dates of composition; people or bodies responsible for a work's commission; instrumentation; first performance; publications; location of the autograph manuscript; critical comment in the bibliography from the contemporary press and music journals, and recordings on compact disc. Following the main sections are three appendices Concordance of Accession Numbers and Former Pressmarks, Bibliography of Pre-1800 Printed concordances, and

Born of literary parents in Bowdon, near Manchester, he went to London at the age of fourteen to study at the newly-founded Royal College of Music where he eventually became a pupil of Charles Villiers Stanford. This catalogue of Ireland's compositions, a revised and enlarged edition of the one published in 1993 by the Clarendon Press Oxford University Press , in association with the John Ireland Trust, lists his compositions from 1895 to 1961. The letters by Mendelssohn and Verdi, he explains, deal with those composers' settings of Shakespearean themes.
