Daito

It is difficult to do that from a distance. The holiday home features 2 bedrooms, a flat-screen TV, an equipped kitchen with a microwave and a fridge, a washing machine, and 1 bathroom with a hot tub.

Nakatsu Heizaburo, the father of Shikoku's Daito

Are there are some Aikidoka who try to learn Daito-ryu techniques in order to improve their own Aikido? Despite her attempt to become a female pro, she has been suffering from the failure to achieve a promotion into class C1 in the Research Group as the age limit approaches.

I think that he is probably utilizing the techniques he learns from us in his Aikido techniques. He entered the Daito-ryu dojo in 1963 at the age of 38, and studied under Kodo Horikawa, one of the leading students of Sokaku Takeda.

Keika Kiyotaki

Should a trainee try to use strength alone, his body weight will not be focused properly, and techniques will be less effective.
