Abortion was viewed as a sin, but not as murder, until the embryo was animated by a human soul. In 1967, the publicly supported liberalization of abortion laws. In addition to teaching that abortion is immoral, the Catholic Church also makes public statements and takes actions in opposition to its legality.

### Catholic Church and abortion

Women take into account the moral weight of their responsibilities to their families, themselves, and children they might have in the future. In very early abortions, up to 7 weeks, medical abortion using a mifepristone—misoprostol combination regimen is considered to be more effective than surgical abortion, especially when clinical practice does not include detailed inspection of aspirated tissue. Others prohibit it after 20 weeks.
