### Deer Hunting in Arizona

QUART JARS ARE NO LONGER RECOMMENDED BY THE USDA FOR SAFE PROCESSING. Currently, they are not doing well and numbers are lower than normal.

### Texas Mule Deer Hunts

Muleys are mostly found in the Midwest, farther west, and northward into Canada.

### Texas Panhandle Whitetail Deer & Mule Deer Hunts

All American Outfitter is a first class operation run by Ken and Roseann Mayer. These islands hold a wide variety of fish and have more speckled trout and redfish than any other place in the world.

### Texas Panhandle Whitetail Deer & Mule Deer Hunts

Keep in mind, some portions of the state are closed to any mule deer hunting and in others killing mule deer does is prohibited.

**All American Outfitter and Guide Service offering fully guided New Mexico elk, deer, bear and pronghorn hunts. We specialize in Mobility Impaired hunts.**

Some deer units in Wyoming are comprised almost entirely of designated wilderness.

### Texas Mule Deer Hunts

It is perfect for helping me get the upper hand on some big west central Illinois bucks! And above, a 17 point whitetail that gross scores 184. Ultimately, they look like a mule deer, only much smaller. Therefore, with the right tags, you can often tag a mule deer and a whitetail relatively close to each other.

## **All American Outfitter**

Alligator Hunting Guides 58 miles from New Orleans - Welsh, Louisiana - offers hunting of for alligator, ducks, squirrels, rabbits, deer and much more. Fortunately for you, New Mexico mule deer hunting benefits by the existence of two different sub species; the Rocky Mountain mule deer in the northern half of the state, and the desert mule deer in the southern half of the state. Our land has many of these , and if you have the patience to pass on the young ones you might get a shot at a Kansas giant.
