Pakistan at the Crossroads

At the national level, the disinformation evolves in quantity, not in quality. The first step it could undertake is to arrest selective opposition leaders while employing selective leaks hoping to break the unity of the opposition.

Pakistan at the crossroads of history!

The ISI and DGISPR attempted to break unity within the PDM by making selective leaks on the meeting organized by the Army Chief. The Persian empire saw perhaps its greatest ever success with the rampaging invasion of Nader Shah which saw Lahore and then Delhi ravaged, and their proudest and richest jewels like the Peacock Throne and the celebrated Koh-i-Noor diamond looted to adorn the palaces and crowns of Persian leaders.

Pakistan at the Crossroads: Domestic Dynamics and External Pressures

This is also done by the Indian state, to ensure that the family DOES NOT SEE THE FACE or the DEAD BODY, of the soldiers. Fifthly, is to enhance tensions along the LoC, claiming Indian forces are likely to attack POK or Gilgit Baltistan.

At one point we have the present terrorism and crime infested country and yet at the other we have the hope from the present operations being carried out in Karachi and the northern part of the country against Taliban militants. Pakistan is experiencing a turning point in sustainability, with many areas at the lowest ebb of urban crisis. This book explains why this common perspective is based on superficial understanding of the facts.
