Goya's terrifying Black Paintings

Leadership requires something much less tangible: influence. There he lived with Leocadia Weiss, although she was still married to another.

The Mystery and Terror of Francisco Goya's Black Paintings

Following his death, the paintings were removed from the walls and may be seen today in the Prado Museum in Madrid. The gruesome painting features the mythical god emerging from the darkness with bulging mad-like eyes as his fingers dig into his child, whose head and arm have been partially consumed.

The Mystery and Terror of Francisco Goya's Black Paintings

They were pessimistic paintings that differed wildly from his earlier works, apparently created for his own sake. Junquera argues that the second floor of the dining room and the location of half the Black Paintings was added on after Goya's death.

Goya's Black Paintings

Goya's most horrific painting Saturn Devouring His Son detail Image source: Wikimedia Commons The most famous of the Black Paintings is, without a doubt,.

The Mystery and Terror of Francisco Goya's Black Paintings

But there are additional details that suggest Goya did not paint these images.
