Here we must be struck, if aught can strike us, with the injustice which often attends human laws, while we witness a weeping husband ruthlessly torn from the tender embraces of a heart-broken and worse than a widowed wife; parents in agonies of grief, taking a final adieu of their beloved children; and children in return, bereaved of the parental superintendence of affectionate, perhaps praying parents, and thrown upon the mercy and faith of beings from whom they have nothing to expect but labor and oppression. But as the remaining propositions are such as arise out of this, of which they are rather members than original propositions, we shall refer the reader for a further consideration of this subject, to the propositions which follow, where its various principles will be attended to. However, there are several documented reports of Gaelic still spoken in areas around the Cape Fear as late as 1886.
