I'm not sure who the intended audience is for this book. understandings of the Underground Railroad. Later, after Clyde is captured, John decides to rescue him. Here, she was free of her master but slunk around a warren so tiny she couldn't stand.

He also discovers Rosalee is returning soon. Rosalee bonds with Ben, while the leader of the gang subtly hints to him that his father cares more about the job than anything else. I also grew up in the Hartford, Connecticut area so know a lot about Harriet Beecher Stowe.
