## Cambridge Journal of Economics

Crossref Funding Data Registry In order to meet your funding requirements authors are required to name their funding sources, or state if there are none, during the submission process. You agree to notify OUP immediately if your details change. Also appears in Mark Baimbridge, Brian Burkitt, and Philip Whyman eds.

## General\_Instructions

Revised version published in Journal of International Economics, 1998. Papers will also not be sent to peer review if the editorial board feels that they are too narrow in scope, not sufficiently heterodox in orientation or do not add sufficiently to existing debates in the literature.

## Cambridge Economic Policy Review Volume 5 · CPES Online Archive

NBER Working Paper 14532, December 2008. A revised version appears in Managing Currency Crises in Emerging Markets, edited by Michael Dooley and Jeffrey Frankel. European Central Bank Working Paper Series, No.

## Barry Eichengreen
