### The Uruguay Round Agreement on Agriculture: An Evaluation of its Implementation in OECD Countries

Major Markets The destinations of U.

### U.S. Agriculture and International Trade

And would the new WTO rules for dispute settlement be able to deal with such trade frictions more successfully? Under the Agreement, countries accept commitments on reducing expenditure on export subsidies as well on the quantity of subsidized exports.

### THE URUGUAY ROUND AGREEMENT ON AGRICULTURE: AN EVALUATION

The share of agricultural imports classified as competitive with domestically produced items has increased from 66 percent in 1973 to 75 to 77 percent in the 1990s.

### CiteSeerX — Abstract The Implications of the URAA on Developing Countries: A case Study of Sudan's Agricultural Trade

Sudan is not a currently member of the WTO although it has been in the accession process since 1994.

### Agreement on Agriculture in the Uruguay Round of by Zuhair A. Hassan

The right of countries to set their own safety and health standards is reaffirmed, but with the provision that such standards should be based on scientific justification and that use be made of international standards where possible.

### Implications of a Doha Agreement on Agricultural Markets in Sudan

In Eastern Europe and the CIS, the progression and completeness of liberalization varies widely, though GATT notions of tariffification and tariff bindings have strengthened the position of reformers in those countries that are members of the WTO. When requesting a correction, please mention this item's handle: [RePEc:ags:iatrwp:37918](#). The PEATSim model has previously been used to analyze a number of agricultural trade and policy reform scenarios, including global agricultural trade liberalization in all commodities, trade liberalization in global dairy markets, and trade liberalization in coarse grain markets.
