PORFIRIATO CRISIS IN MEXICO: POLITICS AND ECONOMY

The Porfiriato corresponds to the period in which Porfirio Díaz served as president of Mexico from 1876 to 1880 and from 1884 to 1911.

Review: Quieren ser Mexico from Independence to Revolution on JSTOR

Seb and a colleague in genealogy and historical research, Rodolfo Gonzalez de la Garza, agreed that correspondents assigned to report border developments were known to take money to write favorable stories for either side. For the origins of the revolution, read chapter eight in Tutino. Devaluation In 1905, the government of Porfirio Díaz executed a monetary reform: from then on, the value of gold would be taken into account as a backing for the Mexican currency, instead of the value of silver.

6 Advantages and Disadvantages of the Porfiriato

The Gran Círculo de Obreros de México had nearly 30 branches in Mexico, calling for benefits beyond aiding of workers when they were sick, injured, or died. People such as these survived and advanced—or expected to—by means of their education, skills, and commercial acumen.

The Era of Porfirio Díaz, 1876

For women especially, bicycling challenged traditional behavior, demeanor, and fashions, freeing them from being closely supervised shut-ins. In Mexico, some Catholic laymen supported the abolition of debt peonage on landed estates, which kept peasants tied to work there because they were unable to pay off their debts. As with other aspects of the Mexican economy, the growth in the mining sector was predicated on the stability established by the government.

Mexico's revolution 1910

Much of it was highly concentrated in terms of ownership, and some also went to foreign interests: 547,000 hectares in northern Mexico, for example, became the sole possession of the Richardson Construction Company in Los Angeles. The Rurales and their horses could be loaded on trains and dispatched to impose order.
