Socialism in Canada

First of all, the Conservatives are using an undemocratic method to elect their leader. A highly-respected committee that would consult with and inform the public of its progress from time to time would have the power to make a final decision on the issue. Where many on the left this past century saw these varieties of anti-capitalism as antithetical to each other, Wright sees them as complementary where, taken as a whole, each action can bring about a.
