Italian

This can literally be the difference as to whether or not you find the information you are looking for. I did this for both my relatives in Salerno and in Sicily and found contact names in both.

Italian Genealogy

Regardless of what shape your family history research takes, one thing is certain.

Italian

In some cases, family friends can also provide valuable oral history. A trip to Italy is an essential part of Italian genealogy research. Her goal is to show you how to document your heritage while placing each generation of your family in its cultural milieu and telling a factual and interesting story about the family.

Italian Genealogy

Hello my name is Anthony Fasano. This is a critically important question. The aforementioned Discovering Your Italian Ancestors includes word lists and sentence fragments which can be used to write letters to Italy in Italian.
