Everyone is entitled to define the universe; each on their own terms. Its form is often a distorted picture of humanity — whether it is a beautiful image such as the gods of Greece or Rome or the grotesque dragons and witches of fairy tales or the half man — half beast embodiments like were wolves or giants or dwarfs and elves or even orks. For Lonergan the distinction between natural and supernatural resides within the rather static context of metaphysics, but that is precisely the context he set aside—without denying its validity in its place--when he moved toward intentionality analysis.

‘Supernatural’ Season 15 Spoilers — Series Finale Ending

We born again into a supernatural life by a supernatural God - We are sustained by supernatural food - We are taught by a supernatural teacher from a supernatural book - We are led by a supernatural guide into supernatural paths in order to obtain supernatural victories. As above, I still take the position that different theological universes are acceptable in art, be literature, movies, television shows, etc.

The chest moments sigh How I miss those.

Religion Is a Belief in Supernatural Beings

Bobby explains how Heaven is no longer a solitary experience where each person relives his greatest hits. THE LATER LONERGAN

Commentators on Lonergan's work will often distinguish between the early and the later Lonergan in order to take account of the way his thought developed from the more explicitly metaphysical and Scholastic style in which he had been educated toward a more existential and dynamic approach characteristic of modern thought.

Supernatural Series Finale Review: Carry On

While The Hardy Boys seems patterned off of Supernatural, perhaps eager to replicate its success, there are some notable differences.
